

Consultant/Senior Consultant

Agriculture/Rural Industries

Tasmania – Full Time or Part Time

Position Reference: AgRID(Tas)2017

ABOUT RMCG

RMCG provides consulting services on a range of business, environmental, agricultural and social issues. We are a dynamic team with versatile skills relating to recycled water and waste management, integrated water management, natural resource management, economics, social research, strategic planning, agribusiness and community engagement.

RMCG is committed to an approach that fully weighs the social, economic, and environmental aspects in decision-making. We bring rigorous professional skills and strong personal values to all our work in developing solutions that respect people and help communities prosper.

WHAT WE ARE LOOKING FOR

RMCG is looking for a smart, capable and enthusiastic person to join our Tasmanian team, with experience and expertise in one or more of the fields of agriculture, horticulture, water, economics, environment and community engagement.

We are seeking a person with at least 10 years professional experience.

PRIMARY FUNCTIONS OF THE POSITION

We are looking for a consultant to work with people in agriculture and related industries and services. We will develop this role with the successful candidate. We are open to opportunities and new ways to foster agricultural innovation, sustainability and leadership.

Opportunities will be available to work with multi-disciplinary teams across RMCG offices.

QUALIFICATION REQUIREMENTS

A degree in agricultural science, environmental science or a related discipline.

KEY SELECTION CRITERIA

Any mix of the following skills, knowledge and experience will be of value to us:

- Knowledge of rural industries
- Capacity to collect and analyse data
- Understanding of environmental management
- Knowledge and understanding of production systems, production management and new technologies
- Skills in project management, evaluation and reporting

- Skills in development and implementation of strategies and policies
- Skills in facilitation, extension or training

Other important factors are that you:

- Are highly self-motivated
- Have a questioning mind and problem solving abilities
- Show attention to detail
- Are able to manage your time efficiently
- Have the capacity to work within a team
- Have an ability to build effective working relationships with clients

OTHER DUTIES

Quality Assurance

- Maintain a general understanding of the Quality Management System and carry out duties and responsibilities in accordance with relevant quality management processes and procedures

Office Dynamics

- Contribute ideas and abilities to further business development of RMCG
- Contribute to the maintenance of a harmonious and pleasant working environment

ADDITIONAL INFORMATION

- We place a strong emphasis on achieving a positive work/life balance and we can offer a flexible approach to work management
- RMCG has offices in Victoria (Bendigo, Melbourne, Torquay, Warragul), Tasmania and New South Wales
- The position will involve a reasonable amount of travel throughout Tasmania and occasionally interstate (a current driver's licence is required)

SALARY PACKAGE

The remuneration package for the position will be negotiated with the preferred applicant.

APPLICATIONS

Please set out clearly how your qualifications, professional skills and personal attributes can contribute to the success of the RMCG team and how working with us could foster your professional career.

Please include a brief CV listing qualifications and names of two referees.

CLOSING DATE

Friday, 17th November 2017
