

Senior Consultant

Farm Business Management

Bendigo – Full Time

Position Reference: FBM(Bgo)2017

ABOUT RMCG

RMCG provides consulting services on a range of business, environmental, agricultural and social issues. We are a dynamic team with versatile skills relating to recycled water and waste management, integrated water management, natural resource management, economics, social research, strategic planning, agribusiness and community engagement.

RMCG is committed to an approach that fully weighs the social, economic, and environmental aspects in decision-making. We bring rigorous professional skills and strong personal values to all our work in developing solutions that respect people and help communities prosper.

WHAT WE ARE LOOKING FOR

RMCG is looking for a smart, capable and enthusiastic team member with experience in farm business management to join our agribusiness team.

We are seeking a person who has at least 10 years experience in agribusiness.

This position will be based in Bendigo.

PRIMARY FUNCTIONS OF THE POSITION

The successful candidate will predominantly work with farming clients, supporting them to achieve their business goals through improved farm business management.

The consultant will be required to:

- Collect, analyse and synthesize farm business data, on both physical and financial performance
- Assist in the development of farm business plans
- Prepare clear and succinct plans, strategies and reports
- Work with individual farming businesses, government agencies, industry, and community groups

It is expected that the successful candidate will have strong existing networks and be able to win a high proportion of their own work.

Opportunities will also be available to work with multi-disciplinary teams across RMCG offices.

QUALIFICATION REQUIREMENTS

A degree in agricultural science, farm business management or a related discipline.

KEY SELECTION CRITERIA

In your application please describe your:

- Experience in farm business management
- Capacity to collect and analyse farm data
- Knowledge of farming systems and land management options
- Understanding of human resource management

Other important factors are that you:

- Are highly self-motivated and have a good attitude to work
- Have a questioning mind and problem solving ability
- Show attention to detail
- Are able to manage your time efficiently
- Have the capacity to work within a team
- Have an ability to build effective working relationships with clients

OTHER DUTIES

Quality Assurance

- Maintain a general understanding of the Quality Management System and carry out duties and responsibilities in accordance with relevant quality management processes and procedures

Office Dynamics

- Contribute ideas and abilities to further business development of RMCG
- Contribute to the maintenance of a harmonious and pleasant working environment

ADDITIONAL INFORMATION

- We place a strong emphasis on achieving a positive work/life balance and we can offer a flexible approach to work management
- RMCG has offices in Victoria (Bendigo, Melbourne, Torquay, Warragul), Tasmania and New South Wales
- The position will involve a reasonable amount of travel throughout Victoria and occasionally interstate (a current driver's licence is required)

SALARY PACKAGE

The remuneration package for the position will be negotiated with the preferred applicant.

APPLICATIONS

Please set out clearly how your qualifications, professional skills and personal attributes can contribute to the success of the RMCG team and how working with us could foster your professional career.

Please include a brief CV listing qualifications and names of two referees.
