

Senior Consultant

Natural Resource Management

Full Time

Position Reference: NRM2017

ABOUT RMCG

RMCG provides consulting services on a range of business, environmental, agricultural and social issues. We are a dynamic team with versatile skills relating to recycled water and waste management, integrated water management, natural resource management, economics, social research, strategic planning, agribusiness and community engagement.

RMCG is committed to an approach that fully weighs the social, economic, and environmental aspects in decision-making. We bring rigorous professional skills and strong personal values to all our work in developing solutions that respect people and help communities prosper.

WHAT WE ARE LOOKING FOR

RMCG is looking for a smart, capable and enthusiastic team member with experience and expertise in environment and natural resource management.

We are seeking a person who has a minimum of 10 years professional experience and is known for their expertise and depth of knowledge in a particular area(s)

You will have developed a good professional network, where you are well regarded and have strong relationships. Your experience could include consulting work, but you might also be looking for a change.

This position will be based in one of our Victorian offices.

PRIMARY FUNCTIONS OF THE POSITION

The successful candidate will work with natural resource and environmental management agencies and organisations. This includes government departments, catchment management authorities, industry, community groups and landholders. Project could include:

- Policy analysis or advice
- Strategic planning
- Project planning and implementation
- Evaluations and reviews
- Analysis of data or research to provide advice or recommendations

The successful candidate will possess, or develop, the ability to win project work as well as identify and develop business opportunities.

Opportunities will also be available to work with multi-disciplinary teams across RMCG offices, supervise staff and take on leadership roles.

QUALIFICATION REQUIREMENTS

A degree in science environmental science, ecology, agricultural science or a related discipline.

The candidate is expected to have a broad knowledge of natural resource management, but they should also have particular experience and skills in a specialty area(s) within that broad field. This should be described and highlighted in the application.

KEY SELECTION CRITERIA

In your application please describe:

- Your knowledge and experience in natural resource management or a related field
- The area(s) within natural resource management where you have particular expertise
- Situations where you have worked through complexity and identified practical and workable solutions to challenges
- Your experience in preparing clear and succinct written materials for different audiences
- Your ability to design and prepare clear and succinct strategies, plans and/or reports
- Your skills and experience in working with a wide range of people
- Your experience and approach to working in a team, and also independently

Other important factors are that you:

- Are highly self-motivated
- Have a questioning mind and problem solving abilities
- Show attention to detail
- Are able to manage your time efficiently
- Have the capacity to work within a team
- Have an ability to build effective working relationships with clients and colleagues

OTHER DUTIES

Quality Assurance

- Maintain a general understanding of the RMCG Quality Management System and carry out duties and responsibilities in accordance with relevant quality management processes and procedures

Office Dynamics

- Contribute ideas and abilities to further business development of RMCG
- Contribute to the maintenance of a harmonious and pleasant working environment

ADDITIONAL INFORMATION

- We place a strong emphasis on achieving a positive work/life balance and we can offer a flexible approach to work management
- RMCG has offices in Victoria (Bendigo, Melbourne, Torquay, Warragul), Tasmania and New South Wales
- The position will involve a reasonable amount of travel throughout Victoria and occasionally interstate (a current driver's licence is required)

SALARY PACKAGE

The remuneration package for the position will be negotiated with the preferred applicant.

APPLICATIONS

Please set out clearly how your qualifications, professional skills and personal attributes can contribute to the success of the RMCG team and how working with us could foster your professional career.

Please include a brief CV listing qualifications and the names of two referees.
